

You are invited to attend an

Educational Forum

on the dangers of

Zebra Sea Mussels

to our lakes and waterways.

Thursday, August 3rd at 7:30 p.m.

Sandy Lake Community Hall

A formal presentation will be given by

Candace Parks

Aquatic Invasive Species Specialist

Department of Sustainable Development

Followed by a Q & A opportunity.

Refreshments provided by Municipality of Harrison Park.

Please consider this as an invitation to all members of your Group.

We are requesting that you spread the news and advertise this important event so that all interested parties and stakeholders can attend.

Provincial MLAs will be there, along with many representatives of organizations with invested interests in this important issue.

Thank you for your attention. Please contact us for more information if required:
